

Over two thirds agree employees are treated fairly by small business, stronger with 18-34s, Vancouver Island

Q Do you agree or disagree with the following statement:
"Most employees are treated fairly by most small businesses?"

Percentage who said

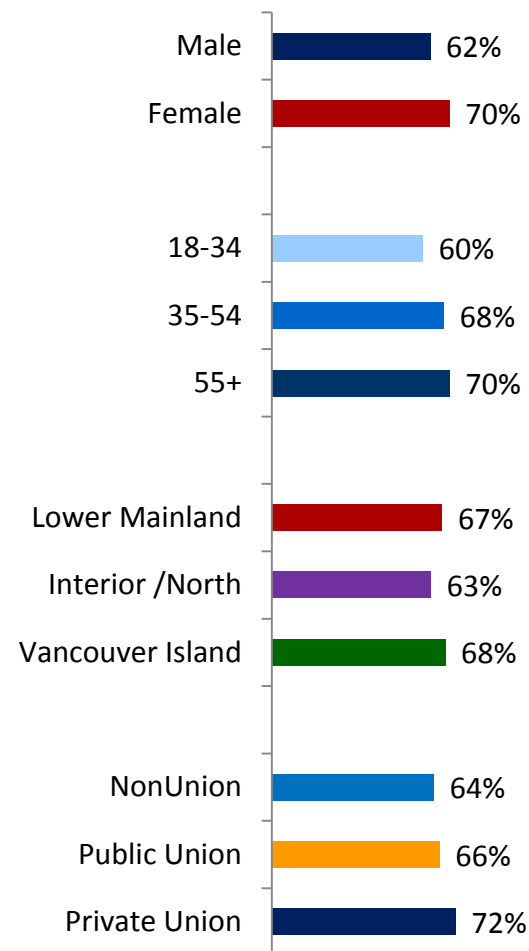

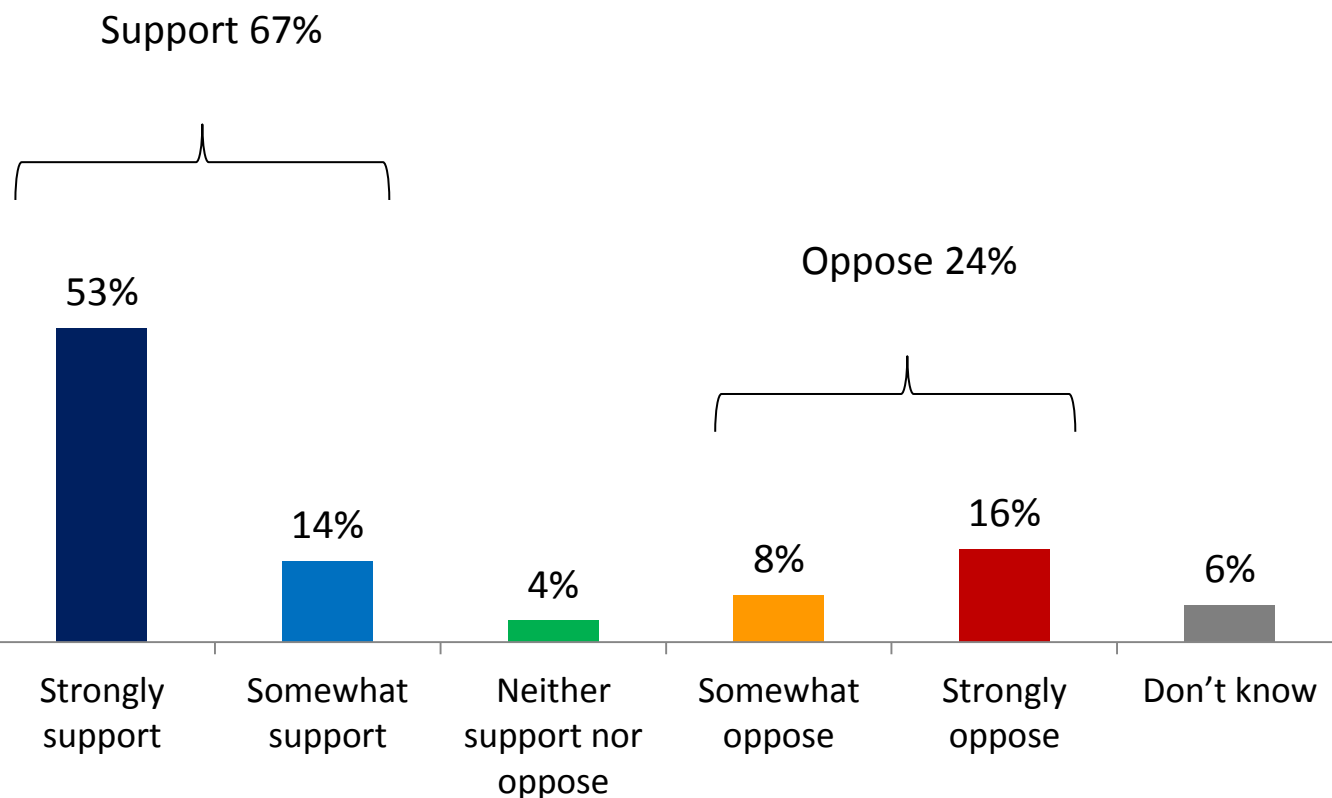

'Agree'

Two thirds support keeping secret ballot, particularly those in private unions

Q Union certification votes are currently conducted by secret ballot in British Columbia. Do you support or oppose keeping these votes as a secret ballot? Is that strongly or just somewhat?

Percentage who said 'Support'

7-in-10 are at least somewhat confident that current employment standards protect employees

Q Thinking about current employment standards in British Columbia, how confident are you that the regulations protect employees?

Percentage who said
